

Let's Improve the Neighborhoods of Crooked Creek!

LINCC Steering Committee CHARTER

As a member of the LINCC Steering Committee, I agree to help shepherd the GINI process in Crooked Creek. I know that this will be at least a three-year journey to engage all sectors of our community in visioning, listening, discussing, researching, planning and implementing improvements that contribute to quality-of-life. As the LINCC Steering Committee carries out our work I pledge to:

- Share my initial reason for involvement up front.
- Meet the expectations of our funders and stakeholders.
- Communicate clearly, honestly, forthrightly and often.
- Participate fully.
- Listen carefully.
- Respect others' opinions.
- Be inclusive.
- Encourage the participation of dissenting voices.
- Maintain a sense of humor.
- Work toward consensus whenever possible.
- Start and end meetings on time.
- Ensure issues and decisions are documented.
- Resolve conflict immediately in a professional above-board manner.
- Never bad mouth others or the process.
- Lead by example.
- Seek, learn and grow.
- Evaluate our work.
- Celebrate our success.

My name
